## RENTAL AGREEMENT

Food truck rental for private events is subject to a \$1,000 food purchase minimum and 2 hours on site.

Rental charge is applied when food purchase minimum has not been met; the customer agrees to pay the difference.

For rentals longer than 2 hours, an additional \$300 per hour food purchase agreement will be added.

An itemized invoice of all food items ordered will be provided to the customer within three business days after the event.

Menu can be limited to accommodate a budget. Food vouchers may also be provided to guests.

24 hour cancellation notice required, otherwise \$1,000 charge will apply. Safety is of utmost importance; in case of severe weather, Boryski's Butcher Block can provide an alternative option.

For events outside Saskatoon city limits, an additional charge may apply.

Customer is responsible for securing a suitable spot for the food truck to park.
