If your order includes caesar salad, tossed salad, or spinach and berry salad, you will receive disposable plastic gloves, and someone from your group will be required to toss the salad in order to preserve freshness. If you require serving utensils, we can provide a set for you to keep at an additional charge.

All items are left with the contact person at the door and someone from your group will be required to set up and manage the buffet line. There is an additional charge for delivery, please ask us for a quote upon booking.

ON-SITE SERVICE

Buffet Service

We deliver your food, set up your buffet line, and manage the food throughout buffet service. The food will arrive in aluminum trays as detailed above; should you wish to have chafing dishes, we rent them for events for which we provide on-site service.

For buffet service, we bring serving utensils that will be taken at the end of service. Buffet service includes buffet management only; it does not include clearing tables. If you require extra service, we can discuss available options at an additional charge, subject to availability.

Buffet service starts at \$300.00. If you require someone to cook on-site additional charges for a BBQ rental and a Pit Master will apply.

CANCELLATION & EVENT DELAYS

Cancellation for all catering and BBQ Rental orders will be subject to a charge of 50% of the original invoice if cancelled within less than 48 hours. Orders that include on-site services will be subject to a charge of 50% of the original invoice if cancelled within less than 14 days notice.

If we are providing on-site service at an event where the client delays the service more than 30 minutes past the originally booked time, a fee of \$100 for every 30 minutes or portion thereof will apply after the original 30 minutes. For example, if your service is booked at 6:00 p.m. and service is delayed until 6:45 p.m. a \$100 fee will apply.
